## IN LOVING MEMORY ALEXANDER LEE RATH

Michelle Rath will share the story that no parent should ever have to tell.

Michelle lost her son Alex to a workplace accident.

When a worker gets hurt or killed doing their job the immediate focus is on the person that it happens to!

Have you ever thought about that person’s family or friends?

Alex is Michelle’s youngest son, working as a refrigeration & air conditioning apprentice when he was fatally electrocuted!

Michelle says, ‘No one should have to go through what I & Alex’s father, his brothers & Fiance are going through’.
